#### SIGN UP NOW

On Mobile devices visit RCKC Website (*automatic mobile application upon sign up*)  
 On your desktop visit RCKC website to register. Then go to the Mobile Member Application "Everbridge CONTACTBRIDGE" to CONNECT on your Mobile Phone too!

### What is RCKC CONNECT?

RCKC CONNECT is a mass notification service for community outreach communications. Messages from RCKC CONNECT include road construction updates, unexpected road closures, detours, and other important RCKC news. Citizens receive important time sensitive messages where they specify such as home, mobile, or business phones, email, text messages and more. Citizens pick where and how they wish to receive notifications.

### How it works:

When there is an unexpected road closure, detour or road construction project, RCKC will send you a notification message by voice, email or text communication by your chosen method.

### Sign up for notifications:

Sign up for RCKC CONNECT at [www.kalamazooountyroads.com](http://www.kalamazooountyroads.com). Create an account by entering your contact information and registering for notifications. You chose where and how you wish to receive notifications. Once you register you may also download the Mobile Member Application Everbridge "ContactBridge" from the App Store or Google Play Store.

### Everbridge Mobile Member Application "CONTACTBRIDGE"

Secure mobile application with two-way communication which allows RCKC to deliver text message alerts to residents directly on their smartphones using CONTACTBRIDGE and allows residents to submit service requests, pictures, and free-form text to RCKC.

## ROAD COMMISSION OF KALAMAZOO COUNTY

### Applications and Social Media

Statistics show that more than 75 percent of adults use social media on a daily basis as the primary means of communicating and accessing information important to them. The RCKC incorporates social media with its overall communications to provide citizens options to communicate and do business with the RCKC.
