

Texas Township Farmers' Market – Fresh on Q!

Grievance Policy and Form

The mission of the Texas Township Farmers' Market is to create a sense of community for Texas Township and surrounding areas; promote local businesses and create economic development around foods that are grown, raised, and processed locally; and raise awareness about the rich and diverse agricultural areas in SW Michigan. This Grievance Policy and Form were developed to ensure that vendors and products at the market adhere to this mission and provide safe, quality products at fair and reasonable prices to shoppers.

The Texas Township Farmers' Market Manager has the right to restrict or deny any vendor from selling at the market for failure to follow the market guidelines and rules. Any problems, concerns or complaints must be immediately directed to the Market Manager and filed within one week of occurrence. Grievances that cannot be resolved by the Market Manager may be reviewed and settled by the Farmers' Market Committee.
