# TEXAS TWP

## FIRE DEPT

Currently Seeking  
Paid-On-Call Firefighters

# GEAR UP. GET IN THE ACTION.

## WHAT WE DO

The Texas Township Fire Department has been providing quality fire protection and emergency medical services for over 70 years. Our department consists of five full-time personnel and a dedicated group of paid-on-call personnel. We service all 36 square miles of Texas Township and provides support to surrounding communities. Our services include EMS, fire, hazardous materials, brush and grass fires, ice/water rescue, vehicular accidents, fire prevention, and public education.

## WHY JOIN

The personal satisfaction that comes from helping others is the biggest reason people give when they choose to serve in the fire service. There is no greater service than “Neighbors Protecting Neighbors” in a time of need.

Additionally, State certified training, personal protective equipment, uniforms, per call compensation and a sense of accomplishment are all provided at no cost to the applicant.

## REQUIREMENTS

- 18 years of age or older
- Energetic and physically fit
- Township residents (or residing within 2 miles of Texas Township boundaries)

## HOW TO APPLY

- Complete an application form
- Application reviewed by staff
- Qualified candidates will be notified and scheduled for an orientation, written test, agility test, formal interview, medical evaluation, and drug screening (please note the application time may vary)
- Upon completion of the background and reference check, you will be notified of the next phase
