PLANNING / ZONING FEES AND ESCROW AFFIDAVIT

The Charter Township of Texas Board of Trustees is authorized by state statute and the Texas Township Zoning Ordinance to establish fees for the processing of planning, zoning, and development reviews. The Board believes it is reasonable and appropriate to place the cost of processing these applications (or applications involving unusual costs to the Township) onto the applicants involved rather than on the taxpayers of the Township, and as such, has by resolution adopted the following application and escrow fee schedule. The Board intends that planning, zoning, and development review fees and escrow amounts be reasonably proportionate to the costs incurred by the Township for the particular action requested, and that such fees and escrow amounts be used to defray the costs of administering the Charter Township of Texas Code of Ordinances under Michigan law.

In addition to the Application Fee set forth above, all other costs incurred by the Township that are directly associated with reviewing and processing an application for certain uses shall be paid (or reimbursed to the Township) from the funds in an Escrow Account established by the applicant as provided herein.

No application shall be processed prior to the Application Fee and the initial deposit for the Escrow Account, as set forth above, being deposited with the Township Planner.

At no time prior to the Township's completion of review and processing of the application shall the Escrow Account balance be allowed to drop below \$250.00. If the Escrow Account balance does drop below \$250.00, the Township Planner or their designee will so notify the applicant. The applicant must then deposit an additional amount of at least \$1000.00 or such amount as determined by the Planner or his or her designee to be reasonably necessary to cover anticipated remaining or future expenses, or both.

No further review and processing of the application shall occur until the Escrow Account has been re-established to the appropriate level as determined by the Planner or his or her designee. The Township Planning Commission may stop processing the application if the applicant is more than thirty (30) days in arrears.

The Township may draw funds from the applicant's Escrow Account to reimburse the Township for out-of-pocket expenses directly related to review and processing of the application. Expenses eligible for payment via the applicant's Escrow Account include, but are not limited to, the following:

If an applicant objects to the reasonableness or amount of the Escrow Amount funds it must deposit with the Township or how the funds have been applied, the applicant can appeal to the Texas Township Board. All such appeals shall be in writing and shall be made not later than thirty (30) days after receipt of the disputed Escrow Account billing or the decision of the Planner or his or her designee.

Within ninety (90) days after final Township action on the application or withdrawal of the application by the applicant, the Township shall refund to the applicant any excess escrow funds. No interest shall be paid on refunded Escrow Account money.

No final approval, building permit, certificate of use/occupancy permit, or other similar approvals shall be issued, or final Township zoning approval be deemed granted until the escrow funds are paid in full.

Should the applicant withdraw its application or otherwise fail to complete all actions necessary for the Township to issue a final building permit or final zoning approval, the Township may seek reimbursement for its costs incurred in responding to the application. The Township shall be permitted to take any legal action to collect such costs and shall be permitted to assess all costs and legal fees incurred in the collection process.

I have read the Texas Township Planning & Zoning Application and Fees Policy and agree to abide by the same. I understand that the payment of the prescribed application and escrow fees is intended to cover the Township's cost associated with the processing and/or review of my planning or zoning application and should not in any manner be construed as suggesting any particular outcome for the application. I agree that I shall be obligated to pay the fees prescribed under the policy regardless of whether my application is approved, denied, modified, or withdrawn.
