Fresh on Q! Farmers' Market Opening May 16

The Texas Township Farmers' Market tentatively plans to open Saturday, May 16 from 8:00 a.m. - 12:00 p.m. and will be taking precautions to prevent the spread of COVID-19. While these are difficult times, we recognize the need for fresh food in our community, as well as opportunities for vendors who are also struggling to navigate doing business in these times.

Things will look different in the farmers' market pavilion when we start this season. The market will begin with fewer vendors spaced throughout the building to increase distancing efforts. We will be asking that everyone take precautions and wear face masks while at the market and use hand sanitizer frequently. Please limit your shopping party to one person and refrain from bringing children to the market at this time. We hope that, as the season progresses, we'll be able to make the market feel and operate like it has in the past as a central place for our community to gather.

In the meantime, we encourage you to visit the website at www.texastownship.org/farmers-market to see a list of vendors who offer online sales and drop-off or delivery service to minimize shopping time and contact.

Tuesdays will tentatively begin June 2 and be open 4 to 7 p.m. through August 25.

The market will continue to accept credit and debit cards, Supplemental Nutrition Assistance Program (SNAP) benefits via the Michigan Bridge Card, Double Up Food Bucks, WIC Project FRESH and Market FRESH.

Park Updates

As the COVID-19 crisis continues, please respect social distancing as you enjoy the parks and trailways. Restrooms and playground equipment will remain closed until further notice, and no fields or facilities will be rented until it's deemed safe to do so.

Construction at 6th Street Park is currently halted but will begin again when such work is allowed.
