## 7110 West Q Ave Facility Renovation Nearly Complete

In early 2024, the renovation of the 7110 West Q Ave facility began. This project included three primary components:

1. Demolition of the previous Township Offices to increase greenspace & expand parking for the Farmers' Market
2. Create a dedicated training facility for the Fire Department
3. Increase the operational space for the Fire Department, with additional offices and shared workspaces

The Fire Department is in the process of moving into the new space and a few punch list items remain to be completed. The Township also plans to solicit bids to repaint the exterior of the Fire Station (not included in the renovation scope), and to re-roof the facility.

On August 17th, the new Kalamazoo County Park - the Woollam Nature Preserve - will open to the public. Kalamazoo County will plan a "soft opening" for the remainder of the 2024 season, where the park will be open on weekends only from 9:00 AM to sunset. You will need a Kalamazoo County Parks pass (\$25 fee) to enter the site.

The Woollam Nature Preserve is located at the former Rota-Kiwan Boy Scout Camp, and encompasses 212 acres in Texas Township. This will be the seventh County park, featuring canoe and kayak rentals, fishing docks, walking trails, picnic shelters, and more. You can [view the Master Plan here](#).

## **6th Street Park Restroom Facility - Project Scope to Include New Pavilion**

Construction of the 6th Street Park restroom facility is almost complete and will be open before the end of the year! Because the construction bid came in less than anticipated, the Township Board approved the addition of a 30'x40' open air pavilion structure (included in the 6th Street Park Master Plan) to the project scope. Both components can be completed with a 5% increase to the overall project budget, which will reduce future

# 5-Year Recreation Master Plan Update Survey

Survey Closes August 1

The Township is in the process of updating our 5-Year Recreation Master Plan and we are seeking your feedback on the quality/quantity of existing park facilities and where we should focus efforts and investment for the improvement and expansion of these facilities and non-motorized trailways.

Please consider participating in our online survey, which will take approximately 10 minutes to complete. Paper copies are available at the Township Office during normal business hours. You can access the survey and view the existing Plan at: [www.texastownship.org/rec-plan-update](http://www.texastownship.org/rec-plan-update).

## August 6th Primary Election

Be ready to vote in the August 6 Primary Election!

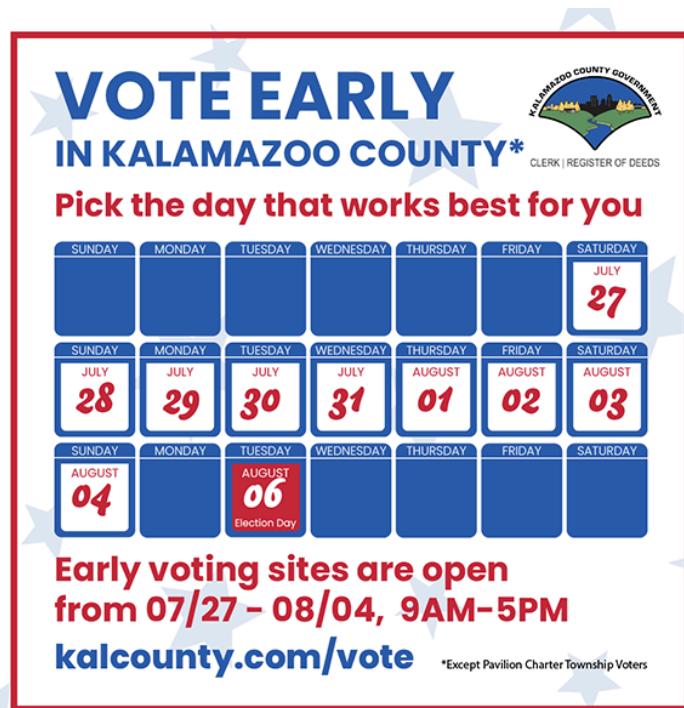

Michigan registered voters have several options when it comes to casting their ballots and making their votes count, thanks to the passage of Proposal 2022-2. This voter-passed legislation allows for nine days of early

**Absentee Ballots** are available 40 days before each election and can be mailed or issued directly at the Clerk's Office with valid photo ID. The office will also be open Saturday, August 3 from 8:00 AM – 4:00 PM for absentee voting. Ballots must be returned by 8:00 PM on election day to the Clerk's Office in order to be counted, and may be returned via USPS Mail, using the 24-hour secure drop box at the flag plaza in the Township Hall parking lot, or at the Township Hall offices.

Want to vote absentee every election? Join the Permanent Ballot list by checking the box on your Absent Voter Ballot Application or online at [www.michigan.gov/vote](http://www.michigan.gov/vote). Be sure to keep your mailing address updated for future elections if you're traveling (especially if you spend the winter in warmer climates!)

**Early Voting**, open 9:00 AM – 5:00 PM from Saturday, July 27 through Sunday, August 4<sup>th</sup> at these locations:

- Kalamazoo County Expo Center (2900 Lake St, Kalamazoo, MI 49048)
- Portage Parks & Recreation Department (320 Library Ln, Portage, MI 49002)
- Fetzer Center at WMU (2251 Business Ct, Kalamazoo, MI 49008)
- Douglass Community Association (1000 W Paterson St, Kalamazoo, MI 49007)

Make sure your voter registration is up to date at the Michigan Voter Information Center at [www.michigan.gov/vote](http://www.michigan.gov/vote)! You can also preview your ballot, request an absentee ballot, and update your mailing address if you utilize a PO Box or will be traveling.

Interested in joining our Elections team as a poll worker? We're looking for Election Inspectors to work in the precincts on election day – elections would not be possible without the dedicated individuals who perform this important service! All Election Inspectors must attend mandatory training every two years to be certified, and the Township pays for both hours worked in the polls and training. Contact the Clerk's Office at [elections@texastownship.org](mailto:elections@texastownship.org) if you're interested in learning more about becoming an Election Inspector.

## Farmers Market Season

**Saturdays: 8 AM - 12 PM (Through Oct 19)**

**Tuesdays: 4 PM - 7 PM (Through Aug 27)**

The Farmers Market has been seeing lots of growth in our numbers this season. We've seen new vendors and lots of new and returning customers to our market. It is so great to see friends and make new ones at the market each week, be outdoors, buy fresh and local produce, delicious meats, beautiful plants, and other wonderful specialty items. Our Saturday markets have been very well attended. We appreciate the Fire Department for their participation each week, and we know how much our families love seeing the firefighters each week as well as seeing children in the fire trucks as well.

at the market on Tuesday as we have wonderful food trucks each week and great vendors as well.

We are so wonderfully blessed to be sponsored by the DDA (Downtown Development Association) to host our musicians at each market! We are so fortunate to be able to host a full season of musicians, and so glad to have such great backing and support by the DDA to make our market more lively and exciting. There is often dancing that breaks out, and it's so fun to watch!

We have 2 big events coming up: Kids Day and Kids Night! Kids Night comes first and is July 23rd, and Kids Day is July 27th. We will have similar events on both dates: a photo wall, temporary tattoos, face painting, and a scavenger hunt through the market. Be sure to see Val and Abby at Market information for more information regarding these fun dates!

We have our wonderful tote bags on sale at each market for shopping with, and this small fee goes to help offset our budget for future entertainment and marketing. We will have one other opportunity for free totes during the season during Farmers Market Week (August 4-10).

Be sure to see us on Saturdays from 8am-noon and Tuesdays from 4-7pm at 7110 W. Q Avenue next to the fire station. We look forward to seeing you there!

## **Township Investing in Maintenance and Expansion of Non-Motorized Trailways**

As part of the 2024 Capital Improvement Plan, the Township set aside funds for two projects to improve parking lots and non-motorized trailways and evaluate options for non-motorized trailway expansion.

### **Project #1: Improvements to Texas Drive Park Parking Lot & Phase I Trailway**

*Estimated Timeline: Work to begin after Labor Day*  
Scope of work will include crack filling, resealing & restriping the parking lot at Texas Drive Park with more extensive repaving at the middle entryway drive (near the Maple Hill Splash Pad) and to the driveway apron at the NE entrance to the park. Additionally, the Phase I Trailway

**Project #2: Trailway Feasibility Study**

Estimated Timeline: Fall/Winter 2024

The Township recently solicited an RFP for proposals to complete a feasibility study for the design and construction of the next phase(s) of non-motorized trailway. The intent of the Study is to identify and evaluate non-motorized route options between the destinations specified below, with public input as a key component of the evaluation process. Final recommendations in the Feasibility Study will be used to guide planning and development as the trail moves from concept to construction.

The Township Parks & Trails Committee and Township Board have prioritized four segments to focus on:

1. Texas Corners Downtown Development Authority (DDA) and 6th Street Park
2. Texas Corners Downtown Development Authority (DDA) to 12th Street via West Q Avenue
3. Segment A) 10th Street from Texas Drive to Q Avenue - including connectivity to existing trailway segment ending on Texas Drive across from Bentley Drive & Segment B) 10th Street from Q Avenue to Swallow Avenue
4. 12th Street from Queen Victoria Lane to Q Avenue

Township staff is in the process of reviewing the proposals received and we anticipate the project to begin in August or September. Please stay tuned for more information and upcoming public engagement opportunities!

## Severe Weather Notifications

emergency tornado sirens in place, there are several mechanisms in place for residents to be notified of severe weather:

1. Purchase a National Oceanic and Atmospheric Administration (NOAA) Weather Radio monitor. These monitors stay silent until severe weather watches or warnings are issued for our area, then they alert with a tone and then voice messages.
2. Enable severe weather alerts on your mobile devices. Many weather apps such as Accuweather, provide severe weather alerts. One of the disadvantages of tornado sirens is that they frequently cannot be heard indoors, whereas many of us carry mobile devices both indoors and outdoors.

## Consumers Energy - Neighborhood Meeting

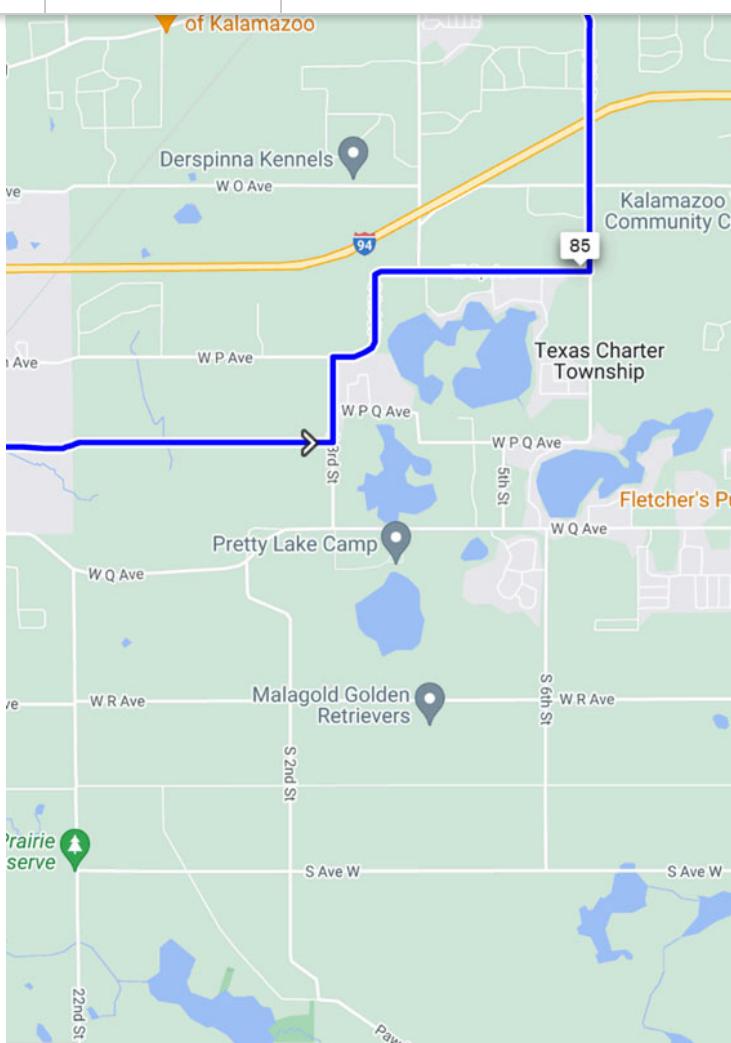

We are aware that several areas of the Township are experiencing more frequent power outages. Township staff are working to schedule a community meeting with Consumers Energy so residents can express their concerns with CE staff and hear more about how Consumers Energy plans to address these issues. More details will be posted on the website and shared with neighborhood groups when available.
