

## SITE PLAN REVIEW APPLICATION PLANNING COMMISSION

### WELCOME

On behalf of the Texas Township Board of Trustees, thank you for selecting Texas Township for your next development project. We are proud of the growth our Township has experienced and firmly believe that Texas Township is the premier location for both commercial and residential projects. We are dedicated to exceptional service to our residents, businesses, and developers, and look forward to partnering with you during this process.

In this application packet, you will find five sections of information:

1. An application form to be completed and signed by the applicant and legal property owner.
2. A detailed overview of the site plan review procedures.
3. A checklist of requirements for the review process.
4. An escrow affidavit form to be completed by the applicant (includes Planning/Zoning fee schedule).
5. The Planning Commission meeting calendar and deadlines.

Additionally, we encourage each applicant to review our ClearZoning Ordinances prior to submission. Here are a few resources that may assist you with the application process:

- Texas Township Ordinances: <http://www.texastownship.org/ordinances/>
- Road Commission of Kalamazoo County: <https://www.kalamazoocountyroads.com/>
- Kalamazoo County Drain Commissioner: <https://www.kalcounty.com/drain/>

Our Planning Department is available to assist you through this process and their contact information is below. If you have any questions or concerns, please do not hesitate to reach out.

## APPLICATION REVIEW PROCEDURES

The intent of this process is to provide for consultation and cooperation between the developer and the Texas Township Planning Commission in order that the developer may accomplish their objectives in the utilization of their land within the regulations of the Township Zoning Ordinance.

### 1. Pre-Application Meeting

Prior to starting the application process, the applicant is ***strongly encouraged*** to meet with Township staff to review the application filing procedures and consult on conceptual plans. The Planner/Zoning Administrator will coordinate with other Township staff that warrant involvement.

### 2. Application Requirements

For the initial review, applicant shall file the below items no less than four weeks prior to a scheduled Planning Commission Regular Meeting:

- One (1) original signed application form
- One (1) completed/signed site plan review (SPR) checklist
- An electronic PDF version of the signed application form
- An electronic PDF version of the signed SPR checklist
- The required application fee
- The escrow fee & signed escrow affidavit
- Three (3) sets of the site plan (all plans to be drawn on uniform sheets, 24" x 36" at a scale not less than one inch (1") equals fifty feet (50').
- An electronic PDF version of the site plan

### 3. Staff Review Process

- a) The Township Planner, Building Official, Township Engineer, and Fire Department shall begin the preliminary staff review of the site plan immediately following application submittal.
- b) A review meeting may be held to discuss and concerns or necessary changes to the site plan. Staff will provide comments to the applicant.
- c) A revised site plan will be required one week after receiving staff comments. Three (3) sets of the revised site plan and an electronic PDF version shall be provided.
- d) Staff will complete a second review and discuss with the applicant any final changes to the plan, if needed and time permitting.

\*\*\*Please review the [Texas Township Zoning Ordinances](#) prior to submission of your application. \*\*\*

### DEVELOPMENTS REQUIRING SITE PLAN REVIEW:

- Multiple-Family Residential
- Mobile Home Park
- Any nonresidential use in any zoning district
- Special Exception Use
- Public Road Development (for purposes of land division)
- Change in use if more intense than the current use
- Expansion of or changes to an existing nonresidential building

- e) One week prior to the Planning Commission meeting, the staff report will be completed and provided to the Planning Commission and applicant.

## **4. Incomplete Applications**

If a complete application is not submitted by the required deadline, the application may be moved to next review cycle and Planning Commission agenda. In addition, if extensive changes are required to the site plan which cannot reasonably be corrected and reviewed in the allotted time or if the requested changes are not completed, the application may be moved to the next review cycle and regular Planning Commission meeting.

## **5. Planning Commission Meetings**

Planning Commission meetings to review applications are scheduled for the fourth Tuesday of the month, with the exception of November and December. Based on the Planning Commission's agenda, the application may be moved to the next review cycle and Planning Commission agenda.

## **6. Special Meetings**

Applicants may request a special meeting with the Planning Commission no less than five (5) weeks in advance of the proposed special meeting date, provided that the above procedures are met, a special meeting fee has been paid, and a quorum of the Planning Commission can be assembled.

## **7. Preparing Meeting Packets**

The office shall prepare packets for all Planning Commission members, which shall include all project documentation, revised plans, and staff report. Packets and agendas will generally be prepared and posted the Tuesday prior to the meeting date.

## **8. Public Notice Requirements**

A site plan review application does not require a public hearing, and as such, there are no public noticing requirements. However, if site plan is submitted as part of a special exception use application, then a public hearing would be held, and a public notice would be circulated no later than 15 days prior to the meeting.

## **9. Planning Commission Meeting**

The Planning Commission will conduct a site plan review and may grant approval, grant approval with conditions, or deny approval stating their reasons for denial. The Planning Commission may also table the site plan application if additional information is needed.
