# Pilot Program Overview

This April/May, Texas Township is partnering with College Hunks to pilot curbside bulk item collection for township residents. The township will be divided into four zones of ~1,500 homes per zone. Each zone will have one designated week for collection. This service is being piloted in place of Dumpster Day events.

## Availability

Service **will** be available for these property types:

SINGLE-FAMILY HOME

CONDO

COMMERCIAL OR INDUSTRIAL BUILDING

APARTMENT

MANUFACTURED HOME COMMUNITY

Service **will not** be available for vacant parcels or any other property types including:

## How it Works

Residents can place accepted items at the curb the Friday through Sunday prior to the start of collection in their zone. College Hunks will collect items left at the curb during the designated collection period (within six days) and recycle or dispose of the items.

**Maximum collection is 3 cubic yards per household**

**Approximately the size of a pickup truck bed.**

## Accepted Items

Include: household doors and windows, furniture, mattress/box springs (must be wrapped), carpeting, toys, miscellaneous rubbish/junk.

- Glass should be in a cardboard box or sturdy container & sealed*
- Carpets must be bundled and 4ft or shorter in length*
- Item cannot exceed weight that is safely transported by two people*
- We recommend separating metals into a separate pile at the curb*

## Other Disposal Events This Year
